### GPGC Staff

Our experienced staff of Golf Professionals and Food & Beverage Staff understand and appreciate the importance of a well-run, enjoyable event for your organization and the impact it can have on your client relationships and fundraising abilities. We are eager to help plan, manage, and host the ideal outing so you can relax and enjoy the day as well.

### Group Outings

#### Shotgun Starts

To request a shotgun start, you must have a minimum of 60 golfers at original date of guarantee. A shotgun start allows all players to start at different holes all at the same time. Depending on the number of golfers you have booked, some holes will have two groups starting as Group A & Group B. Unless you have confirmed 120 golfers, the entire golf course may not necessarily be used as a starting hole. The Gen. Mgr. and the Golf Pro determine hole-starting assignments.

#### Consecutive Starts

Groups under 60 will start consecutively. Consecutive tee times will allow your group to tee off every 8 minutes. Consecutive starts are available any day of the week.

#### Tournament Start Times

Weekend and Holiday tournaments will begin after 11:00am. Weekday tournaments have no time restrictions.

#### Prize Pool Money

\$7.00 per person must be spent for prizes or gift certificates. The \$7.00 can be pooled together for form contest winner prize amounts.

### Fundraisers

The staff of the Golden Pheasant GC can assist you with additional contests and competitions for your contestants to enjoy. From the more traditional such as Longest Drive, Putting Contest, Closest to the Pin to the less traditional Putting Yarn, Straightest Drive and more. All of these can be additional revenue generators for your organization or simply add to the fun of the day.

## Event Day Itinerary

To assist you in planning your day, please take note of the following time schedules:

- 1) A shotgun start requires all golfers to be in their carts fifteen minutes prior to the scheduled start time. This will allow enough time for the golfers to be led out to their starting holes. Every attempt is made to ensure that we all stay on schedule. A sample itinerary follows:

### Example- Golf Outing Itinerary with 1:00 Shotgun Start

11:30 – 12:40	Registration of Golfers
