To Our Friends of the Golf Course,

Please read below the Governor's Ordinance on Golf Courses followed by our rules and regulations of our Golf Courses.

Golf courses shall be allowed to reopen to the public and to members associated with private golf clubs, but such businesses must adopt policies that include, at minimum, the following requirements:

- a. Require that reservations, cancellations and pre-payments be made via electronic or telephone reservation systems to limit physical interactions. Such policies shall, wherever possible, consider populations that do not have access to internet service or credit cards;
- b. Stagger tee times so that they are 16 minutes apart to limit the amount of people on the golf course;
- c. Limit use of golf carts to single occupant only, excluding an individual's immediate family members, caretakers, household members, or romantic partners;
- d. Require frequent sanitization of high-touch areas including, at minimum, the following cleaning protocols:
 - i. Clean and disinfect high-touch areas routinely, and after each use, in accordance with CDC guidelines, particularly in spaces that are accessible to staff, players, or other individuals, including, but not limited to, restroom facilities, counter tops, door knobs, other common surfaces, range buckets, golf carts, push carts, and other frequently touched surfaces including employee used equipment, and ensure cleaning procedures following a known or potential exposure at the golf course in compliance with CDC recommendations; and
 - ii. Ensure that the golf course has a sufficient number of workers to perform the above protocols effectively and in a manner that ensures the safety of players and staff;
- e. Restrict players' ability to touch common surfaces when retrieving golf balls by installing pins, placing cups upside down or partly above ground, or utilizing a shallow cup;
- f. Close all golf center buildings, pro shops, and other buildings and amenities to the public;
- g. Remove bunker rakes and other on-course furniture like benches, water coolers, and ball washers;
- h. Ensure that the flagstick remains in the golf hole at all times, and instruct players to avoid touching the flagstick or hole;
- i. Discontinue club and equipment rentals;

- j. Prohibit the use of caddies;
 - k. Limit tee times to two players, except for immediate family members, caretakers, household members, or romantic partners;
 - l. Place additional restrictions on areas of the golf course, as necessary, to limit person-to-person interactions and facilitate appropriate social distancing, including but not limited to, specific holes, putting greens, FootGolf courses, and short game areas;
 - m. Employees, players, and other individuals should wear cloth face coverings in all settings on the golf course where other social distancing measures are difficult to maintain, except where doing so would inhibit that individual's health, or where the individual is under two years of age; and
 - n. Require players to always maintain appropriate social distancing by remaining six feet apart from others.
9. Miniature golf courses and driving ranges, as well as other places of public amusement, shall remain closed pursuant to Executive Order No. 107 (2020).
10. The State Director of Emergency Management, who is the Superintendent of State Police, shall have the discretion to make additions, amendments, clarifications, exceptions and exclusions to the terms of this Order.
11. It shall be the duty of every person or entity in this State or doing business in this State and of the members of the governing body and every official, employee, or agent of every political subdivision in this State and of each member of all other governmental bodies, agencies, and authorities in this State of any nature whatsoever, to cooperate fully in all matters concerning this Order, and to cooperate fully with Administrative Orders issued pursuant to this Order.
12. No municipality, county, or any other agency or political subdivision of this State shall enact or enforce any order, rule, regulation, ordinance, or resolution which will or might in any way conflict with any of the provisions of this Order, or which will or might in any way interfere with or impede its achievement.
13. Penalties for violations of this Order may be imposed under, among other statutes, N.J.S.A. App. A:9-49 and -50. 10
14. This Order shall take effect beginning at 6:00 a.m. on Saturday, May 2, 2020, and shall remain in effect until revoked or modified by the Governor, who shall consult with the Commissioner of the Department of Health as appropriate.

We will be following the Governors Ordinance to the fullest extent!!
